INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

NO FEE
Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In accordance with 37 C.F.R. § 1.56 and § 1.97(b), the references listed below and on the attached Form PTO/SB/08A (Substitute for Form 1449A-B/PTO) are being brought to the attention of the Examiner for consideration in connection with the examination of the above-identified patent application. The present application is a divisional of prior application 09/412,681, filed October 5, 1999. Copies of the patents and publications listed on the Form-1449 were previously cited by or submitted to the Office in the prior application (except the one reference marked with footnote, copy enclosed), such that copies of the patents and publications are not required pursuant to 37 C.F.R. § 1.98(d). Submission of these references is not an admission that the references constitute prior art.

Applicant respectfully requests that these references be made of record in the above-identified application and considered by the Examiner during prosecution of the application.

It is respectfully submitted that the present invention as claimed is patentable over the listed references.

This information disclosure statement is being filed within three months of the filing date of a national application other than a continued prosecution application under § 1.53(d) or before the mailing of a first Office Action on the merits. Accordingly, no fee is due.
